Subscribers and contributors should understand that HAN is carried on with a small budget as a spare-time activity. We depend very much on our readers to send along bibliographic notes, research reports, and items for our other departments. It will not always be possible, however, to acknowledge contributions, or to explain the exclusion of those few items not clearly related to the history of anthropology or for other reasons inappropriate.

For similar reasons, we must keep correspondence and documentation relating to institutional or subscription service billing to an absolute minimum.
