RESEARCH IN PROGRESS

John Forester, junior research fellow at Kings College, Cambridge, is working on the early history of psychoanalysis and anthropology.

Curtis Hinsley, of the Department of History, Colgate University, has received a National Science Foundation grant for research on "Anthropology at the Peabody Museum."

Lawrence Kelly, of the Department of History, North Texas State University, has received a National Science Foundation grant for research on "The Origins of Applied Anthropology in the United States, 1935-1945."

James S. Reed, doctoral candidate in social science at Ball State University, is planning a dissertation on "Clark Wissler: A Forgotten influence in American anthropology," based on materials Wissler's daughter Mary donated to the Ball State Department of Anthropology in 1976, for which Reed also hopes to provide a research guide.
