We depend very much on our readers to send along bibliographic notes, research reports, and items for our other departments, and we wish we had more such material. It will not always be possible, however, for us to acknowledge contributions (or to explain the exclusion of those few items not clearly related to the history of anthropology or for other reasons inappropriate).

Our thanks to all who contributed to this number, and especially to Brian Kiniry, who served as production manager, and Billie Crawford, who typed the text.
