Good Bye and Hello
Good Bye and Hello

A "Thank You and Best Wishes" was held on June 24 for interns and residents who had completed their training at VHUP. Missed will be the interns Dr. Kevin W. Baissonnette, Dr. David D. Cantor, Dr. Teresa Carro, Dr. Jonathan Elliott, Dr. Karen L. Gibson, Dr. David E. Holt, Dr. Jill E. Sackman, and Dr. Jane C. Schroeder.

Interns Dr. Mark A. Colone and Dr. Carlos Hodges completed the program and will be staying at VHUP in different capacities. Dr. Hodges will be a fellow, and Dr. Colone will be in orthopedic surgery.

The residents leaving are Dr. Timothy J. Lyon, Dr. JoAnne J. Garbe, Dr. Anne L. Norton, Dr. Nick Sharp, Dr. Eric deMadron, Dr. Michael T. Burrie. Three residents will be staying at Penn. Drs. Jerry R. Waddle, Bruce L. Hangen and H. Mark Saunders have been appointed lecturers.

New interns and residents began their duties on July 1.

Here are the interns at VHUP: Dr. James Jeffers (V3'60); Dr. Frank Kearse, Tuskegee University; Dr. Claire J. Mainwaring, Cambridge University; Dr. Carol L. Melton, University of California; Davis; Dr. A. Jon Nannos, University of Thessaloniki, Greece; Dr. Cynthia M. Otto, Ohio State University; Dr. Kimberly Ann Robertson, University of California, Davis; Dr. Richard Sielecki, University of Minnesota; Dr. Erol J. Treger, University of Pretoria.

The interns at New Bolton Center are: Dr. William Asbury (V7'68); Dr. Rene Bayha, Cornell University; Dr. Daniel Dreyluss, University of California; Davis; Dr. Kathryn Gropp, University of Florida; Dr. Patrick McCue, University of California, Davis; Dr. David Young, University of California, Davis; Dr. Elizabeth Haesser, Purdue University.

Following are the new residents at VHUP: Dr. Melissa Foodman and Dr. Steven Carleton, medicine; Dr. K. K. Sadanaga, soft tissue surgery; Dr. Nathan L. Dykes, radiology; Dr. John C. Fyfe, genetics, pediatrics, reproduction; Dr. Robert Schick, dermatology; Dr. John Speciale, neurology; Dr. Malcolm MacDonald, emergency service; Dr. Julie Ann Peto, exotic animals; Dr. Kim N. Olson, anesthesiology.

The new residents at New Bolton Center are; Dr. Kent Hummer and Dr. Joanna Reimer in medicine; Dr. Troy Ford and Dr. Janet Johnston in surgery; Dr. Philip Hunt in reproduction; Dr. Wendy Freeman in Field Service.

Some Great Ideas About Giving to the School of Veterinary Medicine

Idea #3: Gift Annuity

A Gift Annuity does double duty. It helps the Veterinary School and provides a fixed annual income for yourself and your beneficiary. It's an arrangement that is part-gift and part-purchase of an annuity. You transfer cash, appreciated securities, or income-producing property to the Veterinary School in exchange for a lifetime annuity.

And if you're among the veterinary alumni who have already celebrated twenty-fifth reunions, so much the better! You'll get an even greater return from your investment...and no state or local taxes. Maximum gift required is $2,000.

For further information about this or other great ideas about planned gifts to the Veterinary School contact:

APPOINTMENTS: 215-898-4680
(Behavior appointments scheduled by department only — 898-4525)
EMERGENCY ROOM: 215-898-4685 (24 hours a day—7 days a week)

CLINIC DAYS
Cardiology: Wednesday, Thursday, Friday...Tuesday thru Friday...Tuesday and Thursday afternoons...Monday thru Friday
Dermatology: Wednesday and Thursday (other days by arrangement with referring veterinarian)
Exotics: Monday thru Friday
Medicine: Monday thru Friday
Neurology: Monday thru Friday
Oncology: Monday
Ophthalmology: Monday
Orthopedics: Wednesday thru Friday (This section accepts appointments only after the referring veterinarian has called to explain the case.)

Medical Genetics
Pediatrics and Reproduction: Monday and Tuesday
Soft Tissue Surgery: Monday thru Thursday

New Bolton Center Resources

GENERAL SERVICES
The area code for New Bolton Center is 215.
Arrangements for hospitalization or emergency services can be made by calling 444-5800. Inpatient and outpatient referrals should be directed to specific sections.

For Bovine Surgery, call 444-3595.

Equine Outpatient Clinic:
Open Monday through Friday, 9 a.m. to 5 p.m., and accepts patients without prior referral. Call Dr. William Moyer. 444-5800, ext. 485 or 400.

Field Service
Provides routine health care and emergency service for farm animals and horses in the surrounding community. Call 555-0900.

SPECIALTY SERVICES
Cardiology:
Clinic day: Tuesday and Wednesday, 9 a.m. to 5 p.m. Services include cardiac consultation, electrocardiograms, phonocardiograms, echocardiograms, and cardiac catheterization. Complete work-up for poor racetrack performance can also be included. consisting of respiratory evaluation, submaximal exercise testing, endocrine evaluations, endoscopy, cardiology, and lameness evaluations. Work-ups can be scheduled for other days. Call (215) 898-5800, ext. 359.

Nutrition
Nutritional services for the livestock industry are offered in cooperation with referring practitioners or the New Bolton Center Field Service. Call (215) 444-5800, ext. 310.

Radiology:
Radiology, Monday through Friday, 9 a.m. to 5 p.m. Only referral cases accepted. Call 444-5800, ext. 190.

Reproduction
Fertility Clinic: The Georgia and Philip Hofmann Research Center for Animal Reproduction provides fertility evaluations for stallions, mares, and other large animals. Call 444-5570.

DIAGNOSTIC SERVICES
Clinical Microbiology Laboratory
This laboratory is located in the Myrin building. Room 103 and provides a number of diagnostic services for the practitioner: isolation and identification of aerobes, fungi, salmonella, CEM (not for export purposes) organisms; microbiological evaluation of environmental, surgical, and postmortem specimens: mastitis specimens; antimicrobial susceptibility testing: direct grain stains, acid-fast and KOH (fungal)

studies; preparation of bacteria, and certified EIA (Coggins) testing. Specimens should be sent directly to Microbiology, New Bolton Center. For general information and specimen and special handling procedures, call 444-5800, ext. 156, 157, or 159.

Clinical Laboratory Medicine:
This laboratory provides routine hematology, urine, and fecal analysis. Profile studies (12 separate assays) are available at reduced charges. A limited number of tests are available during evening and weekend hours. For a detailed listing of tests, fee schedule, and preferred collection system, call (215) 444-5800, ext. 250.

Large Animal Pathology Laboratory:
This laboratory offers necropsy and biopsy services. Biopsies should be mailed to the laboratory. Animals for necropsy must be approved by the duty pathologist. Call 444-5800, ext. 211.

Cooperative Poultry Diagnostic Laboratory:
Monday to Friday 8:30 a.m. to 4:30 p.m. This is a University-state cooperative laboratory providing diagnostic and consultation services for poultry, game birds, and pet birds in the following areas: serology, bacteriology, virology, and pathology. Farm visits may be arranged. Call 444-4282.

Diagnostic: Assistance for Herd Problems
Clinicians are available to assist and consult with veterinarians in the evaluation of difficult or unusual problems. For information call Dr. Robert Whitlock, 444-5800, ext. 321.

Embryology Laboratory
Assays and consultation on reproductive, thyroid, and adrenal hormones. Call Dr. Maroza Garcia, 444-5800, ext. 202.

Cytopathology Laboratory
Chromosome analysis. Call Ms. Lynne Kluender, 444-5800, ext. 204 or 110.

AUXILIARY SERVICES
The Large Animal Hospital has on call, certain specialty services at the Philadelphia campus, such as dermatology, neurology, and ophthalmology. Investigators in research units at New Bolton Center, such as the Comparative Leukemia Studies Unit, are also available for consultation. For information call 444-5800.
