Friends' Gifts
Break The Record

Friends of the Small Animal Hospital contributed a record breaking $145,000 for the 1986 fiscal year which ended June 30.

Says Hospital Director Barry Stupine, "Our goal for the program this year was pretty ambitious to begin with. We actually exceeded it and that's exciting.

"I think that the staff of this hospital have good reason to be proud, too, because evidently many people have left here feeling very good about the care their pets received. Their gifts really are a meaningful way of registering approval because they help perpetuate the good work we do here. I'm extremely grateful."

Captain's Chairs

Veterinary School chairs are now available. The Hitchcock captain's chairs have a black enamel finish and maple seats. The Veterinary School's seal is hand stenciled in gold on the back rest, and the alumnus' name and class are handpainted on the back of the chair. The chair retails for $195 plus $35 shipping; delivery takes 8 to 10 weeks. For further information, please contact the Veterinary alumni office, (215) 898-4234.
