II. Recent Dissertations
(Ph. D. except where M.A. indicated)

Barkan, Elazar. "From Race to Ethnicity: Changing Conceptions of Race in England and the United States between the Two World Wars" (Brandeis University, 1988).

III. Recent Work by Subscribers

[Except in the case of new subscribers, for whom we will include one or two orienting items, "recent" is taken to mean within the last two years. Please note that we do not list "forthcoming" items. To be certain of dates and page numbers, please wait until your works have actually appeared before sending offprints (preferably), or citations in the style used in History of Anthropology and most anthropological journals]

IV. Suggested by our Readers

[Although the subtitle does not indicate it, the assumption here is the same as in the preceding section: we list "recent" work--i.e., items appearing in the last several years.]
