Direct all correspondence relating to subscriptions and editorial matters to:

George W. Stocking, HAN
Department of Anthropology
University of Chicago
1126 East 59th Street
Chicago, Illinois 60637

Subscribers and contributors should understand that HAN is carried on with a small budget as a spare-time activity. We depend very much on our readers to send along bibliographic notes, research reports, and items for our other departments. It will not always be possible, however, to acknowledge contributions, or to explain the exclusion of items not clearly related to the history of anthropology, or for other reasons (e.g. timeliness) inappropriate.

For similar reasons, correspondence and documentation relating to institutional or subscription service billing must be kept to a minimum.
