W. Edward McGough Memorial Fund Established
Scholarships

Susan Bauman, V’95, has been named Hill’s Pet Products Dean’s Scholar. Joseph K. Gaydos, V’94, has received the Lois F. Fairchild Scholarship in Veterinary Public Service. The Berks County Kennel Club awarded a scholarship to John Mrs. James H. Higgins. The donors a

The Kennel Club of Philadelphia special tribute to his memory possible. Other people who knew and admired James could contribute to this. The donors asked how they might create a Kansas City Kennel Club Scholarship in his name. In the event that gifts total $50,000, the amount required to fund a Dean’s Scholarship, the funds will be added to the School’s general scholarship fund.

We thank those individuals and dog clubs listed below for their thoughtful gifts in Ed’s memory. Additional funding is needed to create the W. Edward McCough Dean’s Scholarship, and we invite other people who knew and admired Ed to make this special tribute to his memory possible.

The donors are as follows:

Louis Aulander
Robert I. Caldwell & Helen B. Jones
K. Carol Carlson
Frances B. Deiss
Dr. M. Josephine Deubler
Samuel E. Ewing II
Steven D. Gladstone
Mrs. Donna E. Hausman
Mrs. James H. Higgins
Paul Jarrett
The Kennel Club of Philadelphia
Dr. James W. MacKenzie
James J. McNernan

W. Edward McCough Memorial Fund Established

Many friends of the late Dr. W. Edward McCough asked how they might create a lasting memorial at the School for this eminent psychiatrist, well-known and respected member of the Dog Fancy, and long-time member of the School’s Board of Overseers. Since education was always a central priority, Ed. memorial gifts are being used to establish an endowed Dean’s Scholarship in his name. In the event that gifts total less than $50,000, the amount required to fund a Dean’s Scholarship, the funds will be added to the School’s general scholarship fund.

We thank those individuals and dog clubs listed below for their thoughtful gifts in Ed’s memory. Additional funding is needed to create the W. Edward McCough Dean’s Scholarship, and we invite other people who knew and admired Ed to make this special tribute to his memory possible.

Each year the Westminster Kennel Foundation invites the recipients of the Westminster Kennel Foundation Scholarship to the Westminster Kennel Club dog show at Madison Square. A formal presentation is made prior to the best in show judging. Shown during this year’s presentation are, from left to right, Mr. William H. Chisholm, trustee, Carol Calista, student at Tufts University Veterinary School, Scott Moore, V’92, Robert C. Hart, College of Veterinary Medicine, Michigan State University, Vivien Surman, College of Veterinary Medicine, Cornell University, Mr. Peter R. van Brunt, trustee, Mr. Robert V. Lindsay, trustee.

John T. McGrath, V’43

Dr. John T. McGrath, emeritus professor of pathology at the University of Pennsylvania School of Veterinary Medicine, died Oct. 10, 1991. A world-renowned veterinary neuropathologist, Dr. McGrath served on the Veterinary School’s faculty for 41 years. He was acting chairman of the department of veterinary biology (later department of pathology) from 1958 to 1961 when he was appointed chairman. He served in that capacity until 1963.

Dr. McGrath received his veterinary degree from Pennsylvania College of Veterinary Medicine and served in the Army Veterinary Corps until 1946. The following year he joined the School’s faculty. In 1953 he received his board certification by the American College of Veterinary Pathologists. Dr. McGrath’s research interests included epilepsy and neurologic tumors in animals and he wrote the textbook Neuropathological Examination of the Dog, a standard for examination and diagnosis of neurologic disease in dogs. In addition, he published nearly fifty papers in journals and contributed chapters to other textbooks.

During his long and distinguished career, Dr. McGrath received many honors. In 1961 he was selected Veterinarian of the Year by the American Veterinary Medical Association and in 1966 he received the same honor from the American Animal Hospital Association. In 1967 he was the recipient of the Norden Teaching Award. In 1969, in recognition of his outstanding contributions to neuropathology, he was awarded an honorary veterinary degree by the School of Veterinary Medicine, University of Turin, Italy, and in 1974 he received the Kloboek Medal from the School of Veterinary Medicine, Brno, Czechoslovakia. The Pennsylvania Veterinary Medical Association presented him its Distinguished Veterinarian Award in 1988.

Dr. McGrath, an accomplished musician, played the saxophone and the clarinet. As a young man he performed with his father’s band in Wildwood and the Willow Grove amusement park. While attending veterinary school, he performed with a band at a dance hall on Walnut Street and studied his veterinary notes, taken on the back of sheet music, during intermissions. Many here at the School remember his playing at parties and get-togethers.

Dr. McGrath served as judge at local and national science fairs and lectured nationally and abroad. He served as a consulting veterinarian for companies such as DuPont, Merck, and SmithKline. He was a member of the AVMA, PVMA, World Federation of Neurology, International Academy of Pathologists, and the Philadelphia Neurology and Pathology Societies.

Dr. McGrath is survived by his wife, Elva C.; sons T. Timothy, Dr. J. Terrence (V’70) and T. Thomas; one brother, two sisters, and six grandchildren.

Memorial contributions can be made to the John T. McGrath Scholarship Fund, care of the University of Pennsylvania School of Veterinary Medicine.
