### III ANTHROPOLOGY IN ROMANIA

### IV ANTHROPOLOGY IN CANADA

The third number of volume 12 of the Canadian Review of Sociology and Anthropology (1975) is devoted in part to a "Symposium on the History of Canadian Anthropology." A brief introduction by Michael Ames and Richard Preston attacks the myth that there is no independent institutionalized tradition of anthropological work in Canada. Four articles, drawn from two previous CSAA symposia on the history of Canadian anthropology (at St. Johns, 1971 and Toronto, 1974--cf. HAN I:2) are devoted to the ethnography of specific groups: C. A. Bishop on the Eastern Subarctic; David Damas on the Central Eskimo; R. J. Preston on the Eastern Cree-Montagnais-Naskapi; and Richard Slobodin on Subarctic Athapaskans.
