PROSPECTS AND PROBLEMS: II

The first issue was more of a hassle than we expected, and some of you no doubt noted typographical errors, blurred ink, and missing pages. Nonetheless, the response was gratifying enough to inspire us to produce at least one more issue, and with the experience of the first behind us, we hope the technical quality of this one will be better. For the present, we are still producing this entirely on the basis of the resources of various members of the editorial committee, but we cannot do this beyond this issue. Those institutions or professionally employed scholars who wish to receive further issues should send two dollars. Students should send one dollar. While we will not immediately remove you from the mailing list, we would appreciate your subscription which would assure future publication. (Checks should be made out to: The History of Anthropology Newsletter.)

The Editorial Committee

Robert Berkhofer, U. of Wisconsin Dell Hymes, U. of Pennsylvania
Robert Bieder, Newberry Library Judith Modell, U. of Minnesota
Regna Darnell, U. of Alberta George Stocking, U. of Chicago
Timothy Thoresen, U. of Texas

Communications should be directed to either of our Chicago members, Bieder (Newberry Library, 60 W. Walton St., 60610), or Stocking (Department of Anthropology, U. of Chicago, 60637).
