From November 21-23, the Kislak Center will be hosting the 6th annual [Schoenberg Symposium on Manuscript Studies in the Digital Age](#). This jam-packed three day event will feature keynotes, workshops, and panels by scholars from around the world (check out event details [here](#)). The [Penn Manuscript Collective](#) will be on hand in its first public appearance: T-shirt vending! The tireless [Anne Dutlinger](#) has worked to design shirts, which we will be selling at \$20 each. We hope to get the word out about our group *and* spread some [manicule](#) love—see you there! Below are the T-shirt designs; recto and verso.
