## Centennial Celebration!

**A** As the School of Veterinary Medicine enters its Centennial year it looks back with a deep sense of pride on its achievements in education, research, and service. These accomplishments have brought the School to a position as one of the great veterinary institutions of the world. 1984 not only marks the end of a first century but also the beginning of an even brighter and more productive future for the School.

In celebration of its legacy, and in recognition of its promise, the School will sponsor a yearlong series of events. Some are planned as educational ventures for veterinarians and animal owners, others are a means to recognize individuals who have contributed greatly to the School's success, and some are strictly for pleasure.

We hope you will join us in celebration of our birthday.
