Preface

Abstract

The University of Pennsylvania Working Papers in Linguistics (PWPL) is an occasional series published by the Penn Linguistics Club, the graduate student organization of the Linguistics Department of the University of Pennsylvania. The series has included volumes of previously unpublished work, or work in progress, by linguists with an ongoing affiliation with the Department, as well as volumes of papers from the NWAVE conference and the Penn Linguistics Colloquium.

This volume presents a cross-section of current work in linguistics at the University of Pennsylvania. On behalf of both the editors and the authors whose work appears in this volume, we wish to thank the reviewers of these papers for their important contribution.
