Alumni and Continuing Education Corner

Alumni and Continuing Education Corner

May means ALUMNI DAY. This year it will be on Saturday, May 21, at the Philadelphia campus. Events begin at 10 a.m. with registration and a chance to meet Dean Andrews over coffee. The Veterinary Medical Alumni Society holds its meeting at 11 a.m., and at noon a buffet luncheon will be served. In the afternoon, a number of activities are offered: a trip to the nation's oldest Zoo, a tour of the mansions of Fairmount Park. A small admission fee is required. Those interested in archeology or anthropology can take in the University Museum, just a few short blocks from VHUP. Also offered will be a tour of VHUP at 2:30 p.m.

A gala dinner with dancing will take place in the evening at The Four Seasons Hotel. These festivities begin at 6:30 p.m. with a reception co-hosted by Dean Andrews and the VMAS. Dinner is at 7:30 p.m., followed by dancing. Reservations for the luncheon, tours, and the dinner can be made by calling the Alumni Office at (215) 898-4234.

Penn Annual Conference

Dr. Charles Newton presents the Patron and Sponsor Certificate to:

ALPO Petfoods, Inc.

Daniels Pharmaceuticals, Inc.

A.J. Buck and Son, Inc.

Peterson Imaging, Inc.

Animal Health Technician Continuing Education Conferences

The Animal Health Technology Department at Harcum Junior College, Bryn Mawr, will offer two continuing education conferences. The first conference on June 5 will cover the following topics:

Sample Collection and Preparation for the Reference Laboratory, Jeffrey Reed and Drew Schwartz, Veterinary Technical Laboratories, West Chester, PA.

Laminitis in the Horse. Dr. Kent Humber, resident in medicine, University of Pennsylvania School of Veterinary Medicine, New Bolton Center campus.

Vaginal Cytology, Semen Collection and Preparation, Dr. Ron Christensen, International Canine Genetics, Malvern, PA.

Marketing and Merchandising, Dr. Theodore Robinson, Richboro Veterinary Hospital, Richboro, PA.

The conference on July 5 will cover:

Urinalysis Refresher Course, Dr. Meryl Littman, assistant professor of medicine, University of Pennsylvania School of Veterinary Medicine, Philadelphia. This all-day course includes a lecture and a wet lab and is limited to 25 participants.

For registration and further information please call Heather Toland, Harcum Junior College, at (215) 526-6046.

Pennsylvania Department of Agriculture Grants

The Pennsylvania Department of Agriculture has announced continued support for four research projects here at the School. They are:

Construction of Live Attenuated Bovine Vaccines Using Genetically Engineered Infectious Bovine Rhinotracheitis Virus as a Vector for Genes for Other Bovine Pathogens.

Studies on the Two Most Important Infectious Diseases of Poultry in Pennsylvania.

Calving to First Service Interval and Open Period in Cows Short-Cycled by Prostaglandin Injections.

Significance of Rectal Palpation in the Transmission of BLV in Pennsylvania Dairy Cows.
