RECENT BIBLIOGRAPHY

[Occasionally, readers call our attention to errors in the entries, usually of a minor typographical character. Under the pressure of getting HAN out, some proofreading errors occasionally slip by. For these we offer a blanket apology, but will not normally attempt corrections. We call attention to the listings in the Bulletin of the History of Archaeology, the entries in the annual bibliographies of Isis, and those in the Bulletin d'information de la SFHSH (Société française pour l'histoire des sciences de l'homme)— each of which takes information from HAN, as we do from them. We welcome and encourage bibliographic suggestions from our readers.]
