**Correction:**

In the story about the Pennsylvania Veterinary Medical Historical Society in *Bellwether 44*, we stated that Dr. Otto Stader's son, Robert, had graduated from Penn's School of Veterinary Medicine in 1990. In fact, it was Dr. Stader's grandson, Dr. Alan Stader, who graduated from Penn in 1990. Dr. Robert Stader, also a veterinarian, graduated from Ohio State University Veterinary School in 1946.
