## New Scholarship Established

The **Bernice Barbour Foundation** announced the establishment of a scholarship at the School that covers one student's expenses and tuition for three years. "This is a very generous scholarship," says Dean Alan M. Kelly. "It is the largest single scholarship ever that we will be able to award to a student. We are very grateful to Eve Lloyd Thompson and the Bernice Barbour Foundation for their generosity." The School will select three candidates from the Class of 2006 for the scholarship and the Foundation then will interview the students and select one.
