Poison Information Helpline
An Animal Poison Control Information Center has been established at the University of Illinois. It provides antidotal and other information on a 24-hour basis. It is staffed by veterinary toxicologists and can be reached by calling 217-333-3611.

New Telephone Exchange
The telephone exchange of the Veterinary Hospital of the University of Pennsylvania in Philadelphia has been changed from 243-898. All the extension numbers remain the same.
