

Student Government Awards for Teaching Excellence

The annual presentation of the Student Government Awards for Teaching Excellence took place on April 11 at Longwood Gardens where a dinner dance was held. Students, faculty and staff gathered for an evening of fun, dining, dancing and presentations.

Each class voted on its selection of outstanding teachers. The graduating class selected three winners, the other classes selected one each. In recent years the awards ceremony has expanded to include also technician awards and this year Dean Kelly added the presentation of the Dean's Awards for Leadership in Clinical and Basic Science Education.

The event was supported by The Upjohn Company; the University of Pennsylvania School of Veterinary Medicine Veterinary Medical Student Government; Waltham, U.S.A.; SCAVMA, University of Pennsylvania; Mallinckrodt Veterinary; and General Econopak. 🏠
