Dear Ms. Sayers:

This is to grant you permission to include the following article in your dissertation entitled “The Integrated Stress Response Effector ATF4: Characterization of a small molecule modulator of its expression and investigation of the role of ATF4 in metastasis” for the University of Pennsylvania:

Carly M. Sayers, Ioanna Papandreou, David M. Guttman, Nancy L. Maas, J. Alan Diehl, Eric S. Witze, Albert C. Koong, and Constantinos Koumenis, Identification and Characterization of a Potent Activator of p53-Independent Cellular Senescence via a Small-Molecule Screen for Modifiers of the Integrated Stress Response, *Mol Pharmacol* March 2013 83:594-604

On the first page of each copy of this article, please add the following:

Reprinted with permission of the American Society for Pharmacology and Experimental Therapeutics. All rights reserved.

In addition, the original copyright line published with the paper must be shown on the copies included with your thesis.

Sincerely yours,

Richard Dodenhoff
Journals Director
