I. Recent Journal Numbers

Bulletin of the History of Archaeology--the first number of this new subdisciplinary publication appeared in May, and includes a number of the categories of HAN: current research, dissertations, recent work by subscribers, reports of academic gatherings, sources and announcements. In addition, BHA includes death notices, and plans in future numbers to include book and journal article reviews, as well as a short substantive articles under the heading "Discourse on the History of Archaeology." Although HAN will occasionally draw on the bibliographic listings of BHA (as they will doubtless draw on ours), we will not attempt to reproduce all the bibliographic material included therein. Readers who wish to subscribe to BHA (\$5 US; \$8 overseas) should communicate with the General Editor, Douglas R. Givens, Department of Behavioral Sciences, St. Louis Community College-Meremec, 11333 Big Bend Boulevard, St. Louis, Missouri 63122.
