

# 2003 Rush Shippen Huidekoper Society Dinner

The 2003 Rush Shippen Huidekoper Society Dinner, which recognized Penn Veterinary Medicine's most generous donors and friends during the 2002–03 fiscal year, was held on November 15 at The Inn at Penn. Named after the School's first dean, the Rush Shippen Huidekoper Society recognizes those donors who contribute \$1,000 or more to the School in a fiscal year. Their generosity advances Penn's mission to better the health and welfare of animals and humans.

It was a wonderful evening as alumni, grateful clients, and other friends came together to celebrate the School's teaching, research, and healing missions. The dinner also brought together Opportunity Scholarship recipients and their donors/mentors.
