## II. Recent Dissertations (Ph.D. except where otherwise indicated)

Richard Delisle (University of Witwatersrand, 1998), "The field of human evolution within evolutionary biology and anthropology: Historical and epistemological analyses since inception"—consisting of nine papers published or in press.

Sarah Froning [Deleporte] ([perio2@aol.com](mailto:perio2@aol.com)) completed a masters' thesis entitled "The exhibition of Native North Americana in France, 1492-1992, from the royal Cabinet de Singularitez to 'A la reconte des Amériques at the Musée de l'Homme in Paris'" (Sorbonne, 1995)

## III. Recent Work by Subscribers

[Except in the case of new subscribers, for whom we will include one or two orienting items, "recent" is taken to mean within the last two years. Please note that we do not list "forthcoming" items. To be certain of dates and page numbers, please wait until your works have actually appeared before sending offprints (preferably) or citations in the style used in History of Anthropology and most anthropological journals]
