Kristen McMullen joins Penn Vet team from Pinewood Prep in South Carolina

Kristen McMullen is joining the Penn Vet team as director of alumni relations, effective July 10.

Kristen brings more than 15 years of alumni relations, fundraising and career services experience and a passion for veterinary medicine to Penn Vet.

“I am thrilled to announce Kristen’s appointment to this vital role within the school,” said Melissa von Stade, assistant dean, advancement, alumni relations and communication. “Her experience, combined with her appreciation of veterinary medicine and affection for animals, will be a good fit for our faculty, staff, students and, of course, our alumni.”

Most recently, Kristen served as the director of alumni relations and communications for Pinewood Preparatory School in Summerville, SC, where she developed the school’s first alumni association and served on the school’s senior leadership team.

In her previous role as assistant director of executive MBA and alumni career services for Duke University she created, marketed and delivered professional development services for a globally diverse student and alumni population.

Kristen started her alumni relations career at Penn State where for seven years she served as director of alumni relations for the College of Communications. In this role, Kristen increased alumni involvement by 300 percent and developed innovative career service programming for more than 12,000 alumni and 3,000 students.

She remains an active volunteer for Penn State and recently completed a six-year term on the Penn State Alumni Council where she chaired the Alumni Volunteer Support Committee with the goal to provide support to

more than 280 alumni affiliate groups. She also served on the planning committee and as a presenter at the May 2012 Penn State Alumni Leadership Conference and is an active member of the Penn State Alumni Career Services Advisory Committee.
